

# SPRINT-IV

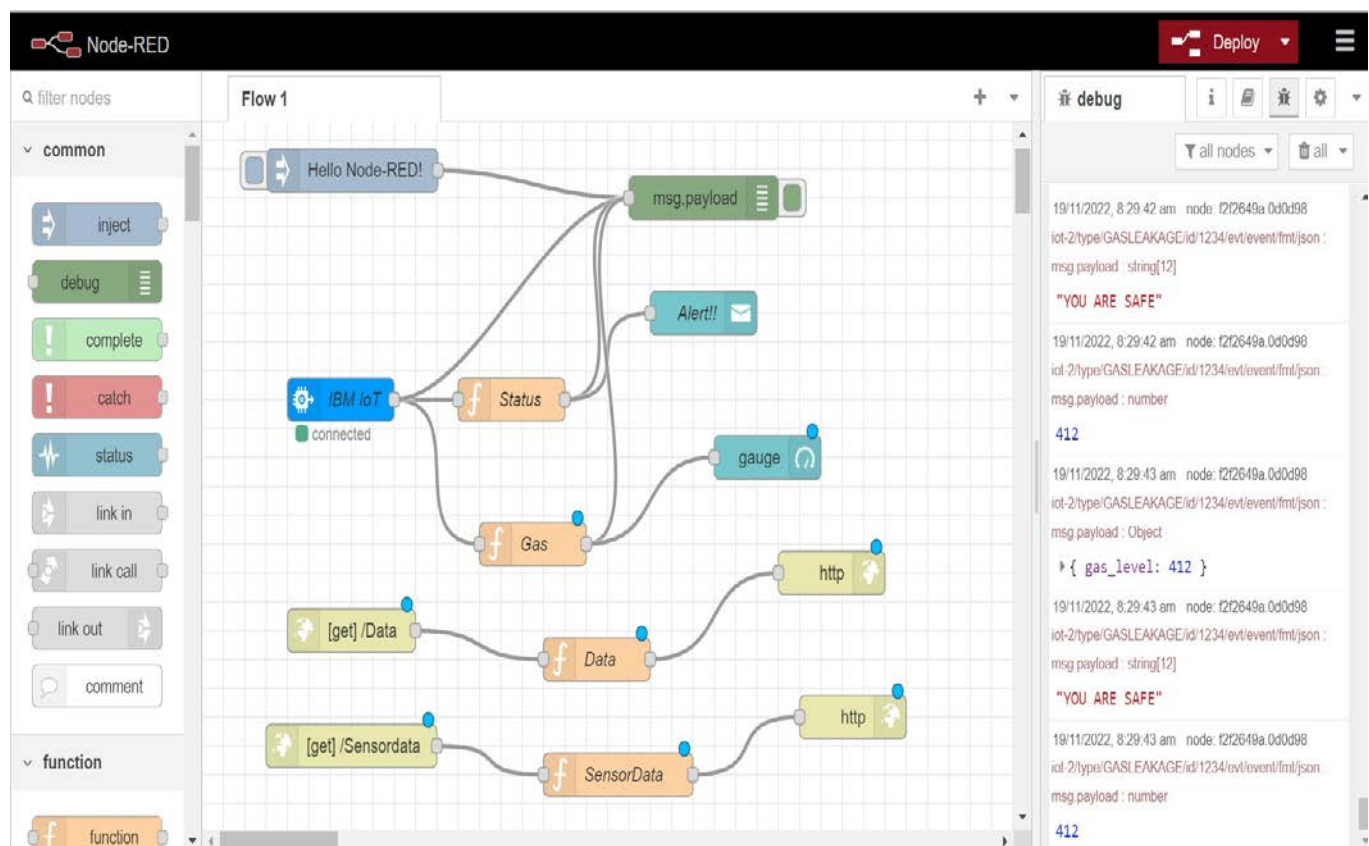

## WEB UI

**Team ID : PNT2022TMID00378**

**Project Name : Gas Leakage Monitoring and Alerting System**

## Creating a Web UI:

- Creating a web UI to make user to interact with the software.

### Source code :

## # Importing Required modules

import time

```
import sys

## RESULT:

The Web UI is created successfully to monitor the GAS LEAKAGE.
